

AMADOR CITY

City Council-Resolution of Adoption-General Plan

RESOLUTION NO. 137

WHEREAS, the AMADOR CITY City Council did direct the Planning Commission, with assistance of the Central Sierra Planning Council and professional staff, to prepare proposed new Safety, Seismic Safety, Noise, and Scenic Highways elements of the City of AMADOR CITY General Plan, as required by State law, and,

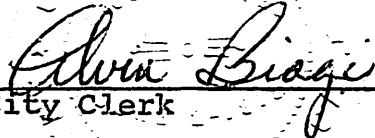

WHEREAS, the Planning Commission did prepare such proposed elements, did hold a proper public hearing thereon, and did approve such elements and recommend their adoption by the City Council following a public hearing and approval of a Negative Declaration as to environmental impact thereof, and,

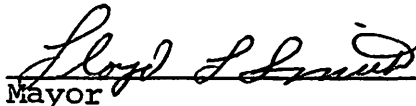

WHEREAS, the City Council did hold a proper public hearing thereon and did consider comments with respect thereto, now, therefore,

BE IT RESOLVED, that the City Council does hereby find that the said proposed elements are reasonable and proper, that their adoption is necessary to provide long-term general guides for protection against natural and other hazards and noise nuisances and for the protection of scenic corridors, and,

BE IT FURTHER RESOLVED, that the City Council does hereby accept said Negative Declaration, and does hereby adopt the said proposed Safety, Seismic Safety, Noise, and Scenic Highways elements of the General Plan in the interest of the public health, safety and general welfare.

Adopted on the 8th day of August, 1974.
