Dated: _____, 19__.

Treasurer of City of Amador

If, on presentation at maturity, payment of the bonds, or of any interest thereon, is not made in full, the bonds or the interest thereon, or both, shall continue to bear interest at the rate stated in the bond until paid in full.

7. Manner and Place of Payment. The principal and interest on the bonds shall be payable in lawful money of the United States of America at the office of the Treasurer of the City of Amador.

Principal and interest on fully registered bonds, and principal on coupon bonds registered as to principal only shall be paid by the Treasurer by check, draft or warrant mailed to the registered owner at its address as it appears on the register maintained in the office of said Treasurer.

8. Redemption Prior to Maturity. The Treasurer may advance the maturity of any bond to the second day of January or July in any year and pay and cancel the same whenever sufficient surplus funds are available in the redemption fund upon giving notice of advanced maturity in the time, form and manner provided in the Improvement Bond Act of 1915.

If outstanding bonds are held by the United States of America, Farmers Home Administration, said bonds are subject to call or redemption at any time at the principal amount thereof and accrued interest to the date of redemption.

9. Partial Redemption of Registered Bond. Upon surrender of any fully registered bond without coupons redeemed in part only, there shall be executed and delivered a new bond or bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the bond surrendered and of the same interest rate or rates and same maturity or maturities, which new bond or bonds may be, at the option of the registered owner, either a coupon bond or bonds with all unmatured coupons appertaining thereto or a fully registered bond or bonds without coupons. The registered owner of a fully registered bond without coupons may, in lieu of surrendering such bond for a new bond, endorse on the reverse of such bond a notation of such partial redemption in the form set forth in Exhibit "C" hereof or in a form approved by the Treasurer.

10. Transfer of Registered Bonds. Any registered bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 12 by the person in whose name it is registered, in person or by his duly authorized

attorney, upon surrender of such registered bond for registration of such transfer, accompanied by delivery of a duly executed written instrument of transfer, in the form set forth in Exhibit "B" hereof or in a form approved by the Treasurer.

The Treasurer shall require the payment by the bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfers of fully registered bonds shall be required to be made during the fifteen (15) days next preceding each interest payment date.

11. Exchange. Fully registered bonds without coupons may be exchanged at the office of the Treasurer for a like aggregate principal amount of coupon bonds of the same series, denomination, interest rate and maturities, and coupon bonds may be exchanged at said office of said Treasurer for a like aggregate principal amount of fully registered bonds of the same series, denomination, interest rate and maturities. All coupon bonds surrendered for exchange and those delivered in exchange shall have attached thereto all unmatured coupons appertaining thereto (and any matured coupons but unpaid). The Treasurer shall require the payment by the bondholder requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. No such exchange shall be required to be made during the fifteen (15) days next preceding each interest payment date.

12. Books and Registration. There shall be kept by the Treasurer sufficient books for the registration and transfer of the bonds and, upon presentation for such purpose, the Treasurser shall, under such reasonable regulations as she may prescribe, register or transfer or cause to be registered or transferred, on said register, bonds as hereinbefore provided.

13. Registration of Coupon Bonds. All coupon bonds shall be negotiable and transferable by delivery, unless registered as to

principal in the manner hereinafter provided. The holder of any coupon bond may have the ownership of the principal thereof registered on the books required to be kept pursuant to the provisions of Section 12, and such registration shall be noted on the bond. After such registration no transfer shall be valid unless made on said books at the request of the registered owner or by his duly authorized attorney and similarly noted on the bond; but such bond may be discharged from registration by being in like manner transferred to bearer and thereupon negotiability and transferability by delivery shall be restored; and such bond may again and from time to time be registered or transferred to bearer, as before. Such registration, however, shall not effect the negotiability of the coupons, and every such coupon shall continue to be negotiable and transferable by delivery merely and shall remain payable to bearer.

All transfers, registrations and discharges from registration of coupon bonds pursuant to this section shall be made under such reasonable regulations as the Treasurer may prescribe and shall be without expense to the holder of the bonds, except that any taxes or other governmental charges required to be paid with respect to the same shall be paid by the bondholder requesting such transfer, registration or discharge from registration, as a condition precedent to the exercise of such privilege.

14. Trust Fund. The unpaid assessments as shown on said list filed with the City Treasurer and determined by said Council, together with the interest thereon from the date of the bonds, shall remain and constitute a trust fund for the redemption and payment of said bonds and of the interest which may be due thereon, which unpaid assessments shall be taxable in annual series corresponding in number to the number of series of bonds issued, and an annual proportion of each assessment shall be payable in each year preceding the date of the maturity for each of the several bonds issued, and

such proportion of each assessment coming due in any year, together with the annual interest thereon, shall in turn be payable in installments as the general taxes of said City on real property are payable, and shall become delinquent at the same time and in the same proportionate amounts and bear the same proportionate penalties for delinquency.

15. Execution. The bonds shall be executed on behalf of the City and under its official seal by the Treasurer and the Clerk of the City of Amador, and the coupons attached to the coupon bonds shall be executed by the Treasurer. The signature of the Treasurer may be reproduced on the bonds and coupons, if any, by engraved, printed or lithographed facsimile thereof, and the official seal may be placed on the bonds in like manner; and such signing and sealing shall constitute and be a sufficient and binding execution of each and every one of said bonds and coupons thereof, respectively.

If any officer whose signature or countersignature appears on the bonds ceases to be an officer before the delivery of the bonds to the purchaser, his signature or countersignature shall be as valid as if he had remained in office until the delivery of the bonds.

16. Improvement Fund. The proceeds received from the sale of the bonds (excluding accrued interest, if any) shall be deposited by the City in a special fund ("the Improvement Fund") in the office of the City Treasurer, which the City hereby covenants and agrees to maintain. All moneys in the Improvement Fund shall be withdrawn only upon warrants, drafts, or checks of the City (*subject to approval of payments to contractors by the County Supervisor of the Farmers Home Administration), and shall be applied exclusively to the payment of the cost of the acquisitions and improvements described in the Resolution of Intention, as now or hereafter amended or changed by appropriate change and modification proceedings, and

* To be effective if Bonds are purchased by the Farmers Home Administration.

all expenses incidental thereto.

Any surplus remaining after payment of all costs and all legal charges, claims and expenses shall be used as set forth in the Resolution of Intention.

17. Arbitrage Certificate. On the basis of the facts, estimates and circumstances now in existence and in existence on the date of the issue of the bonds as determined by the City Treasurer, the City Treasurer is authorized to certify that it is not expected that the proceeds of the issue will be used in a manner that would cause such obligations to be arbitrage bonds. Such certification shall be delivered to the purchaser together with the bonds.

18. Copies. The Clerk of said City shall forward certified copies of this Resolution to the City Treasurer and to the County Auditor of Amador County.

I hereby certify the foregoing to be a full, true and correct copy of a resolution duly passed and adopted by the City Council of the City of Amador, California, at a meeting thereof held on the 11th day of December, 1975, by the following vote of the members thereof:
