CERTIFICATE OF COMPLETION

CITY OF AMADOR

PROJECT: CITY OF AMADOR IMPROVEMENT PROJECT
82-STBG-024
Plans dated: October 10, 1983
Contract dated: January 12, 1984

CONTRACTOR: WOLIN & SONS, INC.
P. O. BOX 98
Sutter Creek, Ca. 95685

I, Eugene Weatherby, Engineer of the City of Amador Wastewater Improvement Project, City of Amador City, County of Amador, California, hereby certify that the project described above, which I conducted several specific reviews thereof, in an attempt to protect the Owner, was constructed to the best of my knowledge, based upon those reviews, in accordance with the plans, specifications and any modifications thereto, that were agreed to by the Owner, contractor and myself. This statement in no way relieves the contractor of his responsibility to have conformed to the plans, specifications and modifications referred to above. The contract was completed to my satisfaction on December 5, 1984. The project consisted of improving reservoir capacity and reliability; install new pumps and filters; furnish sludge pump and construct sludge drying bed; pave access road; construct new pump/maintenance building; other miscellaneous improvements and all appurtenances, all for a complete and operating system satisfactory to the City of Amador, as more particularly described in the plans and specifications approved by the City Council of the City of Amador.

DATED: Dec. 6, 1984.

EUGENE WEATHERBY
Engineer for the City of Amador
Wastewater Improvement Project
