

RESOLUTION NO. 275

**A RESOLUTION OF THE AMADOR CITY COUNCIL
ESTABLISHING THE AMADOR CITY UNDERGROUND
UTILITY DISTRICT & COMMITTING UTILIZATION OF
CITY OF AMADOR RULE 20A FUNDING THROUGH 1991 THEREFORE.**

BE IT RESOLVED by the City Council of the City of Amador, Amador County, California, that said Council on this date, held a duly noticed public hearing on the formation of an underground utility district in the City of Amador;

BE IT FURTHER RESOLVED the City of Amador Rule 20a fund allocations are hereby committed herefor through 1991;

BE IT FURTHER RESOLVED that the public necessity, health or welfare requires the removal of poles, overhead wires and associated overhead structures within that area, generally described as all properties in the City of Amador adjacent to Highway 49 and those contiguous parcels east of Highway 49 and south of Water Street, designated in "Attachment A", hereto which is incorporated herein by reference as though set forth in full and titled Amador City Underground Utility District;

BE IT FURTHER RESOLVED that said designated area be and hereby is declared to be an underground utility district and that the Council does hereby set December 31, 1991, as the date by which the underground installation of wires and facilities for supplying electricity, communication or similar or associated service within said district must be completed;

BE IT FURTHER RESOLVED that the Council does hereby fix December 31, 1991, as the date by which all property owners within said district must have converted their utility services to receive underground utility service;

BE IT FURTHER RESOLVED that the City hereby orders the removal of all poles, overhead wires and associated overhead structures on or before July 28, 1991;

BE IT FURTHER RESOLVED that the City Clerk is hereby instructed to notify within ten (10) days of this date all affected utilities and all persons owning real property within said district of the adoption of this resolution and that said Clerk shall further notify said property owners of the necessity that, if they or any person occupying such property desire to continue to receive electric, communication or similar associated service, they or such occupant shall, by the date fixed in this resolution, provide all necessary facility changes on their premises so as to receive said service;

BE IT FURTHER RESOLVED that the telephone and electric utilities which undertake underground installation of their facilities shall use the underground conversion allocation computed

pursuant to decisions of the Public Utilities Commission of the State of California for the purpose of providing to each of the premises in said district up to one hundred (100) feet of individual service trenching and conductor, as well as backfill, paving and conduit as necessary; and

BE IT FURTHER RESOLVED that each property owner in said district shall be responsible for the installation and maintenance of the conduit and termination box location on, under or within any structure on the premises served.

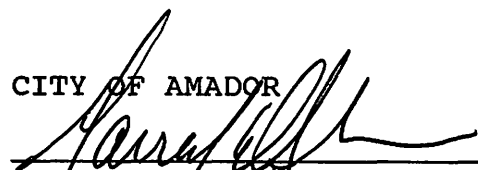

The foregoing resolution was duly passed and adopted by the City Council of the City of Amador at a regular meeting on December 14, 1989, by the following vote:
