CERTIFICATE OF COMPLETION

COUNTY OF AMADOR

PROJECT: CITY OF AMADOR STREET RESURFACING
Plans dated June, 1989

MIKRON PAVING
P.O. Box 2681
Arnold, CA 95223

I, EUGENE WEATHERBY, City Engineer of the City of Amador, County of Amador, California, hereby certify that the project described above, which I conducted several specific reviews thereof, in an attempt to protect the Owner, was constructed to the best of my knowledge, based upon those reviews, in accordance with the plans, specifications and any modifications thereto, that were agreed to by the Owner, contractor and myself. This statement in no way relieves the contractor of his responsibility to have conformed to the plans, specifications and modifications referred to above. The contract was completed to my satisfaction on September 25, 1990. The project consisted of resurfacing 48,500 square feet of city streets with overlays and slurry seals and appurtenances, all for a complete system satisfactory to the City of Amador, as more particularly described in the plans and specifications approved by the City Council of said City.

DATED: October 1, 1990.

EUGENE WEATHERBY
City Engineer for the
