CITY OF AMADOR (CITY); PROJECT NO. C-06-0842; REVENUE PROGRAM

This letter is in response to your January 10, 1990 letter concerning any grant requirements which may exist regarding who the City must serve. Under the conditions of your grant you must provide service to any user within the grant funded service area (generally the City limits). You may serve users outside of the service area at your option. If you do serve users outside the service area they must be charged the same as users within the service area.

I hope that this has answered your question. I am sorry that it took me so long to reply to your letter. If you have any questions, please contact me at (916) 739-4424.
