

BEFORE THE CITY COUNCIL OF AMADOR CITY

IN THE MATTER OF:

RESOLUTION REQUESTING A FEASIBILITY)
STUDY BE PERFORMED BY THE PRISON) RESOLUTION NO. 299
INDUSTRY AUTHORITY)

WHEREAS, Assembly Bill No. 939 (hereinafter AB 939) establishes solid waste goals that will require the City of Amador City to achieve a 25% reduction in waste sent to the landfill by January 1, 1995 and a reduction of 50% by January 1, 2000; and

WHEREAS, the City of Amador City is in the process of adopting a source recovery and recycling element that provides a short and long term plan to achieve AB 939 goals; and

WHEREAS, the City of Amador City is currently diverting 17% of its solid waste; and

WHEREAS, the Prison Industry Authority has developed a program to construct and operate a Materials Recovery Facility (hereinafter MRF) at State prison sites that would separate recoverable and recyclable materials and compost suitable materials; and

WHEREAS, the Prison Industry Authority requires political subdivisions wanting the Authority to complete an economic feasibility analysis to so indicate their support by adoption of an appropriate resolution; and

WHEREAS, a MRF is essential for the city of Amador City to achieve diversion goals; and

WHEREAS, The City of Amador City wants to join with the County of Amador, the City of Ione and other governmental entities within Amador County to support the development of a feasibility study

THEREFORE, BE IT HEREBY RESOLVED by the City Council of Amador City, State of California, that the City of Amador City hereby requests the Prison Industry Authority to complete a feasibility study anticipating, at a minimum, that the City of Amador City would contract with the Authority for solid waste recovery.

The foregoing resolution was duly passed and adopted by the City Council of Amador City at a regular meeting thereof, held on the 12th day of November, 1992, by the following vote:
